After Fire

Rebuild. Save Water. Protect Your Home.

There are discounts for water-saving products and services available through 2019, for all residents, including landscaping that was damaged or destroyed by the fire.

Firescaping uses smart landscaping techniques and native plans to protect your home from wildfires. These practices combined with smart irrigation systems can help you safeguard your investment, use less water and save money on your water bill. Firescaping and water-saving resources available at malibusmart.org.

By installing **smart** water-saving technologies, you can help the community save 28 million gallons of water annually.

Making Every Drop Count

No-Cost Water Assessments + Audits

Customers can get a review of indoor and outdoor water systems **FREE** of charge through the following programs.

Landscape Irrigation Assessment

The Landscape Irrigation Efficiency Program (L.I.E.P.) offers the opportunity to find water savings with a **FREE** irrigation assessment by a certified landscape professional, and receive high efficiency sprinkler nozzles installed for **FREE**.

To schedule a **FREE** landscape assessment contact WaterWise Consulting at 888-987-9473 or email info@waterwise-consulting.com.

*Not all customers may qualify for free sprinkler nozzles. Quantities are limited and are ordered on a first-come, first-served basis until funds are exhausted.

Indoor & Outdoor Water Audits

Receive a comprehensive indoor and outdoor water review and leak check. The **FREE** inspection includes toilets, sinks, showers, dish and clothes washer, sprinklers, valves and plants.

When the survey is complete, customers will receive a detailed report with suggestions and recommendations to reduce overall water use. Surveys typically take about 1-2 hours to complete. The customer makes the decision to fix leaks and implement recommendations.

We encourage customers to participate in the assessment.

To request this **FREE** indoor and outdoor water audit, submit a request to wateraudit@dpw.lacounty.gov.
