RESIDENTIAL REBATE PROGRAM INSTRUCTIONS AND TERMS

Devices must be installed prior to submitting application.

- Confirm that the device is identified on the list of approved products. For HET/DFT rebates, the model number for both tank and bowl must be on the list. For clothes washers, the device must have a water factor of 3.7 or less. Visit www.calwep.org or call 1-877-231-3625 to confirm eligibility. Lists are revised periodically.
- Retain a copy of this application and the sales receipt for your records. The Rebate Program is not responsible for materials lost or delayed in the mail, including misdirected mail.
- Tenants must submit owner authorization letter.
- Attach the original sales receipt to this application. Receipts must include the make and model of the device purchased. Receipts must be dated between July 1, 2013 to the present. If you would like your original receipt returned, please provide a self-addressed, stamped envelope, the original receipt, and a copy of the original sales receipt with this application.
- Attach a copy of your most recent water bill for the address where the device was installed. If you reside in an apartment complex, condominium or mobile home park, please contact your Homeowner's Association or manager for a copy of the water bill. Applications will not be processed without a copy of the water bill from the participating water agency that serves the installation address.
- Applicant is responsible for contacting a tax advisor for any State or local tax requirements regarding receipt of rebate funding.

REBATE PROGRAM TERMS AND CONDITIONS

Important! Please read carefully!

By signing the application, I acknowledge and agree to the following:

- HET/DFT must be installed in a single-family or multi-family dwelling built before 1992. New construction is not eligible.
- The purchased device must be new and an approved model in order to qualify for a rebate.
- Complete applications will be processed in the order received. This offer is subject to available funding. Rebates are available to customers of participating water agencies only. Program eligibility and requirements are subject to change.
- For HET/DFT applications, the reimbursed costs include the purchase price of the device, installation hardware and wax ring only, not to exceed the rebate amount. Installation, seats, and tax are not reimbursed. Rebates are issued once per lifetime of the property.
- For clothes washer applications, the reimbursed costs include the purchase price of the device, not to exceed the rebate amount. Installation and tax are not reimbursed. The machines must be installed in a private residence. Rebates will not be issued for machines installed in apartment/condo common areas or laundromats. For machines installed in common areas or laundromats, please complete the Commercial application available at www.calwep.org or call 1-877-231-3625. Rebates are issued once per owner per property.
- Devices must be installed at the address identified on the application prior to submittal of this application.
- All devices for which a rebate is issued are subject to an on-site installation verification inspection. If device installation cannot be verified, the payee will reimburse the Rebate Program for rebate funds received including all associated processing costs. Access to the rebated device must be provided.
- Please consult your tax advisor for any tax implications of receiving this rebate.

Disclaimer

- Neither California Water Efficiency Partnership (CalWEP), nor your Local Water Utility or Retail Water Purveyor, nor their contractors or agents, makes any representation or warranty regarding the devices eligible for rebates under this Rebate Program. By participating in the rebate program, you waive and release CalWEP, your Local Water Utility or Retail Water Purveyor, and their contractors or agents, from any and all claims and causes of action arising out of the purchase, installation or use of the devices purchased in connection with the Rebate Program. Any claim you may have based upon any defect or failure of performance of a device purchased by you should be pursued with the manufacturer/distributor.
