### 11:00 AM **Trends in Water Use: Flume Report Back**

*Joe Fazio, Flume Water*

CalWEP's direct distribution program has helped install thousands of Flume devices across California. What trends in water use are we seeing across those devices?

### 11:30 PM **What the Framework?!**

DWR recently sent recommendations to the State Board. We'll give you a quick rundown on what those say.

### 12:00 PM **Lunch and Networking**

*Provided by City of Oceanside*

### 1:00 PM **What You Need to Know About Water Loss**

*Amy Talbot, Regional Water Authority*

*Sue Mosburg, CA-NV AWWA*

After several years of rulemaking, the State Board approved new water loss regulations. Find out what's in the regulations, how will they impact your work, and what CA-NV AWWA has planned to help with implementation!

### 1:30 PM **Approaches to Re-classifying Your CII Accounts**

*Lisa Cuellar, CalWEP*

*Chris Tull, California Data Collaborative*

*Michelle Maddaus, Maddaus Water Management*

*Linda Higgins, Placer County Water Agency*

Agencies will soon need to re-classify their CII accounts per the 19 categories recommended by DWR. CalWEP is developing a how-to guide with input from agencies who've already begun the process. Learn more during this session

### 2:45 PM **Wrap up and Networking**
