

LESS LAWN. MORE SOLUTIONS.

AB 1572 VIRTUAL LUNCH & LEARN - NOV. 13TH LEARN HOW THE NONFUNCTIONAL TURF IRRIGATION BAN IMPACTS YOU!

California's AB 1572 will soon prohibit irrigating non-functional turf (NFT) with potable water at commercial, industrial, and institutional properties. That means HOAs, property managers, and facility leaders like you will need to identify NFT and plan for compliance.

This practical Lunch & Learn gives you the tools, examples, and resources to make the transition smooth, affordable, and beneficial. Grab your lunch and join us online!

WHAT WE WILL COVER:

- What counts as non-functional turf under AB 1572 (with clear visuals & examples)
- Timelines & requirements – what's changing, and when you need to act
- How to create a replacement plan that works for your property and your budget
- How to find available rebates and incentives to offset costs
- How to turn a mandate into an opportunity for beauty, shade, pollinators, and lower bills!

Turn AB 1572 compliance into curb appeal, savings, and community value!
